CLAIM [:"AFFIDAVIT:"] OF OBLIGATION COMMERCIAL LIEN

(This is a Verified Plain Statement of Facts)

November 25th, 2020, A.D.

Maxims:

- All men and women know that the foundation of law and commerce exists in the telling of the truth, and nothing but the truth.
- Truth, as a valid statement of reality, is sovereign in commerce.
- An un rebutted affidavit stands as truth in commerce.
- An un rebutted affidavit is acted upon as the judgment in commerce.
- Guaranteed- All men shall have a remedy by the due course of law. If a remedy does not exist, or if the remedy has been subverted, then one may create a remedy for themselves - and endow it with credibility by expressing it in their affidavit.
- (Ignorance of the law might be an excuse, but it is not a valid reason for the commission of a crime when the law is easily and readily available to anyone making a reasonable effort to study the law.)
- All corporate government is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments cannot exercise the power to expunge commercial processes.
- The Legitimate Political Power of a corporate entity is absolutely dependent upon its possession of commercial Bonds against Public Hazard.
- No Bond means no responsibility, means no power of Official signature, means no real corporate political power and means no privilege to operate statutes as the corporate vehicle.

- The Corporate Legal Power is secondary to Commercial Guarantors. Case law is not a responsible substitute for a Bond.
- Municipal corporations, which include cities, counties, states and national governments, have no commercial reality without bonding of the entity, its vehicle (statutes), and its effects (the execution of its rulings).
- In commerce, it is a felony for the Officer/Public Office to not receive and report a Claim to its Bonding Company – and it is a felony for the agent of a Bonding Company to not pay the Claim.
- If a bonding Company does not get a malfeasant public official prosecuted for criminal malpractice within (60) days, then it must pay the full face value of a defaulted Lien process at (90) days.
- Except for a Jury, it is also a fatal offence for any person, even a Judge, to impair or to expunge, without a Counter-Affidavit, any Affidavit or any commercial process based upon an Affidavit.
- Judicial non-jury commercial judgments and orders originate from a limited liability entity called a municipal corporation – hence must be reinforced by a Commercial Affidavit and a Commercial Liability Bond.
- A foreclosure by a summary judgment (non-jury) without a commercial bond is a violation of commercial law.
- Governments cannot make unbounded rulings or statutes which control commerce, free-enterprise citizens, or sole proprietorships without suspending commerce by a general declaration of martial law.
- It is tax fraud to use Courts to settle a dispute/controversy which could be settled peacefully, outside of or without the Court.
- An official (officer of the court, policeman, etc.) must demonstrate that he/she is individually bonded in order to use a summary process.
- An official who impairs, debauches, voids or abridges an obligation of contract, or the effect of a commercial lien without proper cause, becomes a lien debtor – and his/her property becomes forfeited as the pledge to secure the lien. Pound breach (breach of impoundment) and rescue is a felony.
- It is against the law for a Judge to summarily remove, dismiss, dissolve or diminish a Commercial Lien. Only Lien Claimant or a Jury can dissolve a Commercial Lien.

Notice to agent is notice to principal; notice to principal is notice to agent.

PUBLIC HAZARD BONDING OF CORPORATE AGENT: All officials are required by Federal, State and Municipal Law to provide the name, address and telephone number of their public hazard and malpractice bonding company, the policy number of the bond and if required, a copy of the policy describing the bonding coverage of their specific job performance.

Failure to provide this information constitutes corporate and limited liability insurance fraud (15 USC) and is prima-facie evidence and grounds to impose a lien upon the official, personally, to secure their public oath and service of office.

[:"63C Am.Jur.2d, Public Officers and Employees, §247

"As expressed otherwise, the powers delegated to a public officer are held in trust for the people and are to be exercised in behalf of the government or of all citizens who may need the intervention of the officer.

[1]Furthermore, the view has been expressed that all public officers, within whatever branch and whatever level of government, and whatever be their private vocations, are trustees of the people, [2]and accordingly labor under every disability and prohibition imposed by law upon trustees relative to the making of personal financial gain from a discharge of their trusts...

[3] and owes a fiduciary duty to the public...

[4] It has been said that the fiduciary responsibilities of a public officer cannot be less than those of a private individual.

[5] Furthermore, it has been stated that any enterprise undertaken by the public official who tends to weaken public confidence and undermine the sense of security for individual rights is against public policy. Fraud in its elementary common law sense of deceit-and this is one of the meanings that fraud bears [483 U. S. 372] in the statute.

See United States v. Dial, 757 F.2d 163, 168 (7th Cir1985) includes the deliberate concealment of material information in a setting of fiduciary obligation. A public official is a fiduciary toward the public ... and if he deliberately conceals material information from them, he is guilty of fraud.
